# Revenue Detail: Local Option Sales Tax

\$ 29,500,000 of \$ 78,035,155  
37.8% of Projected Revenues

## Purpose

Local Option Sales Tax (LOST) is intended to be used to assist funding services provided including police and fire protection, streets, roads, parks, and recreational programs. In short, LOST revenues expand the total revenues available to the City to pay for services that would otherwise be paid for out of property taxes.

## Mechanics

A one percent (1%) sales and use tax is charged within Fulton County and collected by the State Revenue Commissioner. The collected funds are distributed to the cities and counties, on a monthly basis, in accordance with the formula in the Certificate of Distribution.

## Current Rate

The City receives 7.3493% of the one percent sales and use tax collected in Fulton County. The distribution percentage is a negotiated amount (approved by Council in Resolution 2022-11-33 in November 2022).

## Projection

The FY2024 revenue projection reflects an increase of 9.3% over the FY2023 budgeted revenues and is based on a review of historical actuals and projected total receipts for FY2023.

Local Option Sales Tax

# Revenue Detail: Real and Personal Property Tax

Including Current and Prior Year

\$ 22,345,205 of \$ 78,035,155

28.6% of Projected Revenues

## Purpose

Real and Personal Property Tax is for the purpose of generating revenues to defray the costs of operating the City, provide governmental services, repay principal and interest on general obligation bonds, and for any other public purpose as determined by the City Council in its discretion.

## Mechanics

Each year the City Council establishes a millage rate for the City property tax. The millage rate is capped by the Charter at 4.731 unless a higher millage rate is recommended by resolution of the City Council and subsequently approved by a majority of the qualified voters of the City voting in a referendum.

## Current Rate

The 2023 millage rate was set at the August 8, 2023 Council Meeting. The 2023 millage rate is 3.646 mills or \$3.646 for every \$1,000 of net assessed value. When forecasting property tax revenue for FY2024, a millage rate of 3.646 mills was utilized. The actual FY2024 rate will be set in the summer of 2024 once the Tax Digest is received from Fulton County.

## Projection

The revenue projection FY2024 is a 3.4% increase compared to FY2023 budgeted numbers and assumes a millage rate of 3.646 mills.

FY2023 revenues have not yet been received (anticipated to be collected in October and November 2023) and are impacted by three factors - the millage rate, the timing of billing, and the percentage of collections. The Council sets the millage rate in the summer (after the digest is received from Fulton County). Fulton County has indicated the preparation of the digest is on-time and anticipates the billing of the FY2023 taxes will be completed in August 2023 so 96% of revenues should be received within a time period that will be recognized for FY2023. Finally, FY2023 collections will be impacted by appeals. Based on historical trends, collections are anticipated at 97% of the billed taxes. The graph below reflects FY2023 revenue in the annualized amount including \$2.3M in one-time revenue from prior year appeals that have now been settled. The increased amount of prior year collections is not forecasted to continue into FY2024.

FY2024 revenues will be impacted by the three factors (the millage rate, percentage received in fiscal year, percentage of collections) and changes in the 2023 Tax Digest (growth and reassessment). For the purpose of projecting FY2024 collections (to be received in October and November 2024), staff has made the following assumptions. A millage rate of \$3.646 per \$1,000 of taxable value was utilized for the FY2024 Budget preparation. Additional assumptions include, on-time billing by Fulton (4% of FY2023 property taxes and 96% of FY2024 property taxes will be collected in FY2024). Secondly, collections are anticipated at 97% of billed taxes (based on historical collection rates from FY2012 - FY2018). Third, staff has assumed Council will capture the 2024 Tax Digest growth from reassessments and new construction and \$200M growth to the tax digest.

**Revenue Detail: Insurance Premium Tax**

\$ 6,800,000 of \$ 78,035,155  
8.7% of Projected Revenues

**Purpose**

The Insurance Premium Tax is levied on gross direct premiums on life, accident, and sickness insurance policies written on persons residing within the boundaries of the City, and other types of insurance policies written by all companies doing business in the State of Georgia.

**Mechanics**

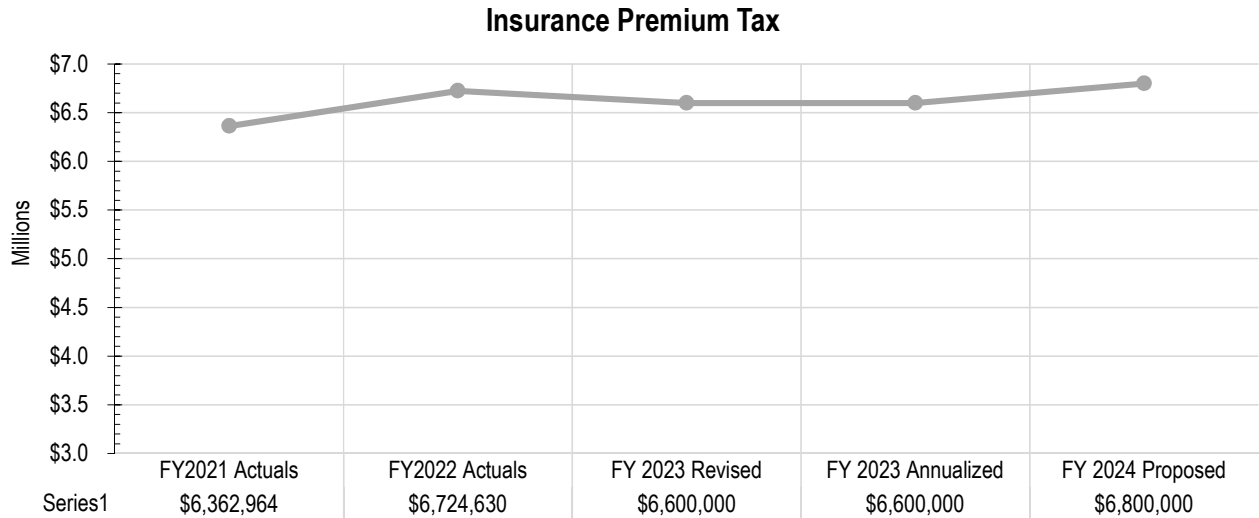

Insurance Premium Taxes are collected by the Georgia Commissioner of Insurance and distributed to municipalities based on premiums allocated on a population ratio formula (the population of Johns Creek divided by the population of all other municipalities in Georgia). The tax is distributed in a lump sum payment each fall.

**Current Rates**

The current rates are one percent (1%) on gross direct premiums for life, accident, and sickness policies, and two and a half percent (2.5%) on gross premiums of all other types of insurance.

**Projection**

The FY2024 revenue projection reflects an increase of 3% over the FY2023 budgeted revenues and is based on a review of historical actuals and projected total receipts for FY2023.

**Revenue Detail: Motor Vehicle TAVT**

\$ 4,000,000 of \$ 78,035,155  
5.1% of Projected Revenues

**Purpose**

In 2012, the Georgia General Assembly passed House Bill 386 which changed the way motor vehicles are taxed in Georgia. Under prior law, motor vehicles were generally subject to Sales Tax at the time of purchase and an Annual Ad Valorem Tax every year thereafter. Under House Bill 386, motor vehicles titled in Georgia on or after March 1, 2013 are subject to a one-time TAVT and are exempt from Sales Tax and Annual Ad Valorem Tax.

**Mechanics**

The 7% Tax is collected by Georgia Department of Revenue (GDOR). Effective July 1, 2019, GDOR retains 35% and distributes the remaining 65% to Fulton County based on sales within that part of the county. Fulton County then distributes the funds to government entities within Fulton County based on location of the buyer. MARTA first receives a fixed amount drawn prorata from all Fulton County collections. The remaining amount is distributed between Fulton County School District (49%), Fulton County (28%) and the City of Johns Creek (23%)

**Current Rate**

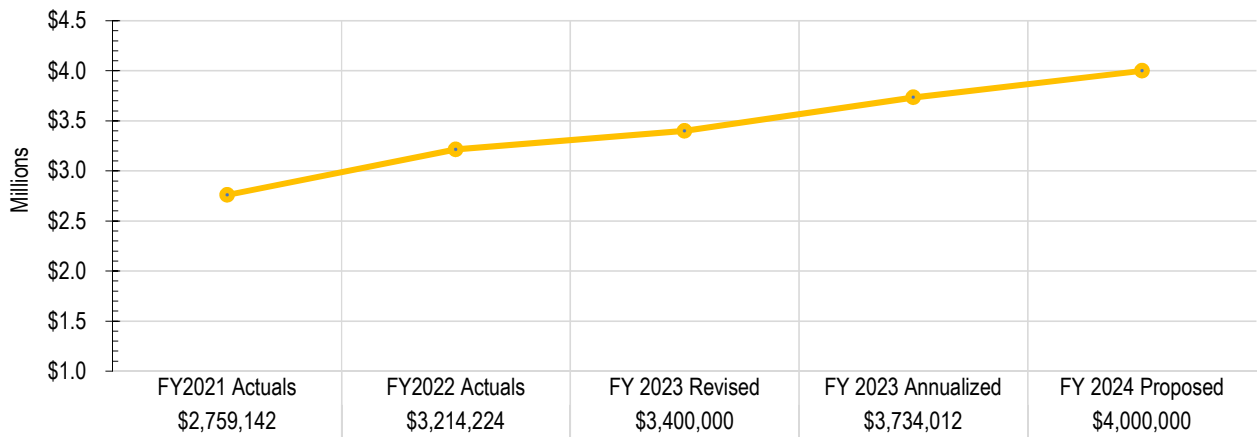

The current TAVT Rate is 7% of the vehicles fair market value at the time of purchase.

**Projection**

The FY2024 revenue projection reflects a 17.6% increase over the FY2023 budgeted revenues and is based on a review of historical actuals and projected total receipts for FY2023.

The recent change to the tax percentage split and the increase number of Johns Creek residents purchasing new cars continue to be reflected in the revenue projection.

**Motor Vehicle TAVT**

**Revenue Detail: Electric Franchise Fees**

\$ 3,000,000 of \$ 78,035,155  
3.8% of Projected Revenues

**Purpose**

Franchise fees are implemented as part of a service agreement executed between the City and a utility company that grants the company usage of the City's right-of-way. The fees are intended to reimburse the City for the use and maintenance of the right-of-way. Traditionally, the fees are also viewed as compensation for the awarding by local governments of exclusive rights to specific public utility companies to provide service in specific areas.

**Mechanics**

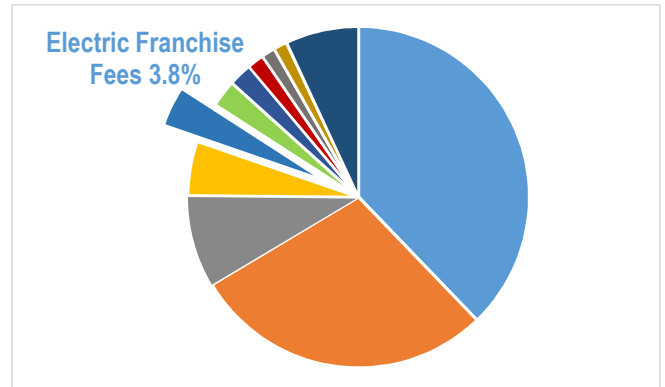

The City currently collects electric franchise fees from two electricity providers: Georgia Power and Sawnee EMC. Georgia Power remits its payments annually, while Sawnee remits its payments quarterly.

**Current Rate**

The current electric franchise fee rate is four percent (4%) of total electricity sales receipts.

**Projection**

The FY2024 revenue projection reflects a 11.1% increase over the FY2023 budgeted revenues and is based on a review of historical actuals and projected total receipts for FY2023.

**Electric Franchise Fees**

**Revenue Detail: Business & Occupation Tax**

\$ 2,000,000 of \$ 78,035,155  
2.6% of Projected Revenues

**Purpose**

Business and Occupation Taxes are taxes imposed on businesses located within the City for the purpose of generating revenue for the provision of local government services.

**Mechanics**

City Council adopts a schedule of fees establishing the taxation method and scale for occupations within the City. The current methodology utilizes a combination of profitability ratios, gross receipts, and number of employees to reach a final tax number. Businesses must pay their occupation taxes annually by March 31 and state law mandates that the occupation tax for a new business be paid within thirty (30) days of commencing the business.

**Current Rate**

The current rate establishes twenty four (24) profitability ratio tiers based on NAIC (North American Industry Classification) codes with corresponding tax rates, ranging from \$0.50 to \$2.20 per thousand dollars gross revenue. The tax rate increases based on the profitability of the business. An additional \$13 per employee tax and a \$75 administrative fee is included in the final taxes due. Professional practitioners, as identified by state law, may choose to pay a \$400 flat rate in lieu of the gross receipt/profitability ratio classification.

**Projection**

The FY2024 revenue projection reflects a 12.4% increase over the FY2023 budgeted revenues and is based on a review of historical actuals and projected total receipts for FY2023.

**Revenue Detail: Interest Earnings**

\$ 1,700,000 of \$ 78,035,155  
2.2% of Projected Revenues

**Purpose**

Interest earnings are generated from the City's investable cash balance.

**Mechanics**

Interest is paid monthly to the City from funds on deposit at various financial institutions.

**Current Rate**

The current rate for all of our financial investments are detailed in a Quarterly Investment Report. As of March 31, 2023, interest earning rates ranged from 0.15% - 1.58% amongst three financial institutions.

**Projection**

The FY2024 revenue projection reflects a 2733.3% increase over the FY2023 budgeted revenues and is based on a review of historical actuals and projected total receipts for FY2024. Working with an Investment Advisor, the City will seek to maximize the interest earnings on investable funds while maintaining focus on safety of principal and sufficient liquidity to meet the needs of the City, while attaining a market rate of return throughout budgetary and economic cycles.

**Interest Earnings**

**Revenue Detail: Municipal Court Fees**

\$ 1,250,000 of \$ 78,035,155  
1.6% of Projected Revenues

**Purpose**

Municipal Court Fees are payments to the Court for citations issued for traffic and municipal ordinance violations.

**Mechanics**

Municipal Court sentences require specific payments for violations of traffic laws and municipal ordinances as deterrence for offenses committed within the City's jurisdiction.

**Current Rate**

Fines issued by the Municipal Court reflect consistent fee amounts with the standardized maximum amount varying according to violation and statute.

**Projection**

The FY2024 revenue projection reflects a 68.9% increase from the FY2023 budgeted revenues and is based on a review of historical actuals and projected total receipts for FY2023.

**Municipal Court Fees**

**Revenue Detail: Gas Franchise Fees**

\$ 1,009,000 of \$ 78,035,155  
1.3% of Projected Revenues

**Purpose**

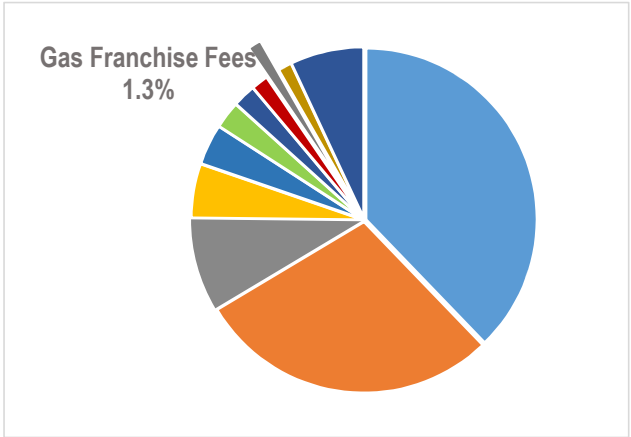

Franchise fees are collected per an agreement executed between the City and a utility company that grants the company usage of the City's right-of-way. The fees are intended to reimburse the City for the use and maintenance of the right-of-way. Traditionally, the fees are also viewed as compensation for the awarding by local governments of exclusive rights to specific public utility companies to provide service in specific areas.

**Mechanics**

The City currently collects gas franchise fees from one natural gas provider: Atlanta Gas Light. AGL remits its payments quarterly.

**Current Rate**

The current gas franchise fee rate is roughly three percent (3%) of total gas sales receipts. It is calculated by using the base year franchise fee factor multiplied by the inflation index and the design day capacity of the last day of the previous fiscal year.

**Projection**

The FY2024 revenue projection reflects an increase of 3.1% over the FY2023 budgeted revenues and is based on a review of historical actuals and projected total receipts for FY2023.

**Gas Franchise Fees**

**Revenue Detail: Alcohol Beverage Excise Tax**

\$ 1,000,000 of \$ 78,035,155  
1.3% of Projected Revenues

**Purpose**

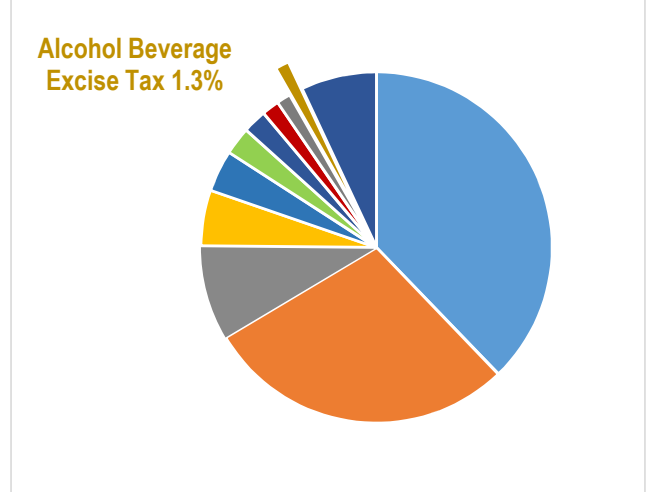

The Alcohol Beverage Excise Tax is an excise tax imposed on the sales of alcoholic beverages within the City for the purpose of raising revenue for City operations.

**Mechanics**

Alcoholic Beverage Excise Taxes are established by the City Council as part of the Schedule of Fees and are paid monthly to the City by applicable businesses.

**Current Rate**

The current excise tax rate is three percent (3%) on all liquor by the drink. For all wine and liquor sold by wholesalers to retailers in the City, the excise tax rate is \$0.22 per liter or \$0.00065 per ounce. The excise tax rate to be paid by the wholesalers is \$0.05 per 12 ounces of beer in smaller containers and \$6.00 per container of draft beer.

**Projection**

The FY2024 revenue projection reflects an increase of 23.5% from the FY2023 budgeted revenues and is based on a review of historical actuals and projected total receipts for FY2023. Liquor by the drink sales have decreased since the onset of the pandemic and are anticipated to return to pre-pandemic level.

**Alcohol Beverage Excise**

## Personnel

The base personnel presented parallel the 255 current full-time staff as authorized in the revised FY2023 Budget. As with prior years, the public safety personnel make up the bulk (186 positions or 73%) of the City's personnel. The FY2024 Budget is not requesting any additional personnel.

531710				<b>\$1,000</b>
				<b>\$3,027,186</b>

## Capital Projects and Enhancements (Fund 301)

A Capital Project is defined as an expenditure that has an expected useful life of three (3) years or more with an estimated total cost of \$50,000 or more. An Enhancement is a request for expanded/improved services beyond the current service level in the adopted budget. Departmental requests for Capital Projects and Enhancements have been prioritized and funded to the extent possible within available resources. The seven enhancements recommended for funding are summarized in a table below and then described more fully on the pages that follow.

### Summary of Funded Requests

Funded

		Funded	
1	City Council (City Clerk)	Municipal Elections (Transition In-House 2025)	250,000
2	City Council (City Manager)	One Johns Creek	25,000
3	Human Resources	Health Insurance Preventative Care Incentive Credits	162,500
4	Information Technology	IT/PD Evidence Fire Suppression System	225,000
5	Information Technology	Migration to Tyler Content Manager Enterprise	80,000
6	Recreation	Creekside Park Amphitheater (Bandshell and Terraced Seating behind City Hall)	5,000,000
7	Recreation	Daffodil Planting	10,000
			<b>\$5,752,500</b>

### Details of Funded Requests

<b>1</b>	<b>Municipal Elections (Transition In-House 2025)</b>	<b>Funded: \$250,000</b>
	<i>Requested by:</i> City Council (City Clerk)	<i>Requested:</i> \$250,000
<p>Staff provided options for transitioning the conduct of municipal elections away from Fulton County to either in-house staff or a partnership with other north Fulton County cities with the costs associated with each alternative. Council elected to transition to having staff conduct municipal elections beginning with the 2025 General Election. Staff working with a consultant has begun the process of developing a timeline for activities leading up to this election. Training, information gathering and research are slated to take place through the end of 2023. Accordingly, the elections line item in the Clerk's department for the proposed FY2024 Budget is \$462K which includes an increase of \$135K to cover election training, information gathering and research. The balance of this line item is programmed in the event the City would need to engage Fulton County to conduct a Special Election before the City takes over the conduct of the 2025 General Election. Several activities (naming an elections superintendent, identifying and securing polling places and selecting and purchasing equipment) are also anticipated in FY2024, but not funded as part of the proposed FY2024 Budget shared with Council on July 11, 2023. This Capital Project will provide funding to plan for this effort.</p>		
<b>2</b>	<b>One Johns Creek</b>	<b>Funded: \$25,000</b>
	<i>Requested by:</i> City Council (City Manager)	<i>Requested:</i> \$25,000
<p>One Johns Creek is a collaborative initiative working to reduce substance use among youth while promoting a thriving culture of community wellness by connecting entities across sectors of the community by using a coalition with representatives from each of 12 roles: youth, parents, businesses, media, schools, youth-serving organizations, law enforcement, civic/volunteer organizations, religious/fraternal organizations, healthcare professionals, state/local/tribal government, and substance abuse organizations. Since the inception of One Johns Creek in 2020, several Johns Creek elected officials and staff have volunteered their time and talents to serve as advisors and consultants. One Johns Creek has been assisting with promotion and participation in the Drug Take Back Days, working directly with Johns Creek schools through school counseling and other means, and formalizing their coalition of support across the community. This initiative was not funded in the proposed FY2024 Budget shared with Council on July 11, 2023, but per Council direction on August 22, 2023, it is being funded as a Capital Project.</p>		
<b>3</b>	<b>Health Insurance Preventative Care Incentive Credits</b>	<b>Funded: \$162,500</b>
	<i>Requested by:</i> Human Resources	<i>Requested:</i> \$162,500
<p>To promote wellness at the City of John's Creek, Human Resources will introduce a wellness plan for 2024 where employees will receive a reduction off their health insurance premiums by completing preventative care visits throughout the year. The goal for the city is to create a culture of wellness that educates and promotes employee well-being. This will reduce bi-weekly insurance premium rates for participating employees by \$25 per pay period. Encouraging employees to complete preventative care is expected to decrease the City's loss ratio, which in turn will result in the opportunity to seek more competitive premium rates.</p>		
<b>4</b>	<b>IT/PD Evidence Fire Suppression System</b>	<b>Funded: \$225,000</b>
	<i>Requested by:</i> Information Technology	<i>Requested:</i> \$225,000
<p>During construction of City Hall, the gas fire suppression system specified in the plans was removed as a cost saving measure, replaced with standard water fire sprinklers. Water poses a major threat to critical IT systems and police evidence, and needs to be replaced with the system originally specified.</p>		
<b>5</b>	<b>Migration to Tyler Content Manager Enterprise</b>	<b>Funded: \$80,000</b>
	<i>Requested by:</i> Information Technology	<i>Requested:</i> \$80,000
<p>We currently use Filebound as the retention repository for all city documents. Tyler Content Manager is currently used for all ERP related documents. Moving to TCM consolidates services into one document repository, all in an interface familiar to staff.</p>		

<b>6</b>	<b>Creekside Park Amphitheater (Bandshell and Terraced Seating behind City Hall)</b>	<b>Funded:</b>	<b>\$5,000,000</b>
	<i>Requested by:</i> Recreation	<i>Requested:</i>	<i>\$5,000,000</i>
<p>At the Retreat in January 2023, Council confirmed Creekside Park as a strategic priority. Creekside Park is the City's most direct, visible implementation of the Town Center Plan and demonstrates the Council's commitment to creating a community gathering space in Town Center. As the project progresses through the necessary right-of-way acquisition and environmental permitting, at the June 2023 Work Session, Council reviewed the project status and financials. Council confirmed its commitment to fully funding the construction of Creekside Park. Through TSPLOST I and II, Council has previously set aside funding for the signature trail which will meander through the constructed wetland area within the existing south pond area, lead up to and around the north pond (behind City Hall) as well as connecting up to East Johns Crossing. Council has also set aside funds freed up through the American Rescue Plan Act, the Fiscal Year 2022 end-of-year surplus, and Fiscal Year 2023 for engineering and right-of-way. However, funds have not yet been identified to fund the construction of the Amphitheater (Bandshell and Terraced Seating behind City Hall). The requested funding would be added to the budget for construction and is anticipated to cover most if not all of the cost of the signature amphitheater (with a 40x40 stage and angled (1:12) roof). The amphitheater includes both the bandshell as well as the terraced seating between the stage and City Hall.</p>			
<b>7</b>	<b>Daffodil Planting</b>	<b>Funded:</b>	<b>\$10,000</b>
	<i>Requested by:</i> Recreation	<i>Requested:</i>	<i>\$10,000</i>
<p>Symbolizing new beginnings in a caring community, in 2023 the City hosted its first Daffodil Days which encouraged community participation through a week-long give-back and volunteer efforts and culminated in a celebration of the community's collaborative achievements with a market at City Hall in late March. To build on this new tradition, the requested enhancement would allow for a mass planting of daffodils in all City parks.</p>			

## Infrastructure Maintenance Accrual (Fund 302)

The Council created the Infrastructure Maintenance Accrual in 2016 to set aside funds for the care and maintenance of existing assets and infrastructure. The annual investment has grown each year and accrual amounts have been adjusted based on improved understanding of maintenance costs. When comparing FY2023 to FY2024, the contribution to the accrual has been adjusted by inflation, with the exception of the Fire Stations and City Hall Accruals, to ensure the funding set aside for future repairs and maintenance will keep up with the cost of the future work. Those accruals were set according to the Capital Reserve Study completed August 2021, which also addresses inflationary costs and replacement costs for items referenced within those accruals.

Maintenance Accruals	Beginning	FY2024		Ending
	Balance	Contributions	Projects	Balance
Roads and Right-of-Way	\$5,243,865	\$6,759,939	\$4,350,000	\$7,653,804
Sidewalks and Trails	\$1,419,372	\$635,568	\$400,000	\$1,654,940
Traffic Signal System	\$2,402,101	\$809,684	\$200,000	\$3,011,785
Bridges, Tunnels, and Dams	\$2,102,420	\$842,764	\$0	\$2,945,184
Parks	\$2,295,358	\$2,040,877	\$1,850,000	\$2,486,235
Fire Stations	\$1,811,995	\$291,000	\$350,000	\$1,752,995
City Hall	\$603,104	\$255,000	\$400,000	\$458,104
Land Acquisition	\$4,952,498	\$1,015,884	\$0	\$5,968,382
<b>Total</b>	<b>\$20,830,713</b>	<b>\$12,650,715</b>	<b>\$7,550,000</b>	<b>\$25,931,428</b>

Summary of Requests	Accrual	Funded
1 City Hall - HVAC Replacement - Phase III	City Hall	\$200,000
2 City Hall - General Repairs and Maintenance	City Hall	\$200,000
3 Fire Station Repairs and Maintenance	Fire Stations	\$150,000
5 Fire Station Roof Repairs for Station #61	Fire Stations	\$200,000
6 Resurfacing (Main Roads + Neighborhood Roads)	Roads and Right-of-Way	\$3,000,000
7 Roadway Patching	Roads and Right-of-Way	\$600,000
9 Road and Right-of-Way Maintenance Materials	Roads and Right-of-Way	\$400,000
10 Pavement Marking Refreshes and Restriping	Roads and Right-of-Way	\$200,000
11 Sign Maintenance Materials	Roads and Right-of-Way	\$150,000
12 Concrete Repairs and Maintenance	Sidewalks and Trails	\$400,000
13 Traffic Signal Maintenance Materials and Detection Replacements	Traffic Signal System	\$200,000
14 Park Maintenance Materials	Parks	\$1,400,000
15 Park Refreshes (Existing Parks)	Parks	\$450,000
	<b>Total</b>	<b>\$7,550,000</b>

## Infrastructure Maintenance Projects Described

*By design, the expenditures in the Infrastructure Maintenance Accrual do not equal the level of investment each year as the fund is designed to build up for the larger expenditures by spreading the cost out over the years leading up to the expenditure for a major replacement such as a the roof at Park Place or a bridge rebuild.*

### City Hall Repairs and Maintenance/Facilities

<b>1</b>	<b>City Hall - HVAC Replacement - Phase III</b>	<b>\$200,000</b>
	<p>The heating, ventilation, and cooling systems (HVAC) for City Hall has been a significant concern over the years. This entire system is operated by four rooftop units (RTUs) and over 80 plenum induction PIUs operating in zones throughout the building. The RTUs would begin heating and or cooling the building and then once the desired room temperature is reached, the PIUs would maintain the temperature throughout the building during business hours. However, the initial RTU's did not have forced heated air capabilities, so the existing PIUs had to do most of the work which has caused them the failure rate to be accelerated on an already aged system. The 2022 &amp; 2023 budgets allowed the replacement/repair of the four RTUs to have the heating capabilities needed. Now this project continues with the replacement/repairing of the smaller PIU's scattered throughout all three floors. In the FY2023 budget there is funding for replacing/upgrading 12 of the existing PIU's. The requested \$200,000 for FY2024 is anticipated to cover the replacement of several more PIUs that are beginning to show signs of failing. The additional PIU replacements will be prioritized based on current repair cost/issues and their ability to properly manage the conditioned air space that they cover.</p>	
<b>2</b>	<b>City Hall - General Repairs and Maintenance</b>	<b>\$200,000</b>
	<p>General repairs and maintenance of various systems at City Hall. Since moving into the City Hall building, there have been several needed repairs for all of the existing systems. The repairs were started in the 2022 budget and will need to be continued into the 2024 budget. Based on historical actuals, the requested \$75,000 for FY 2024 is anticipated to cover the following items:</p> <ul style="list-style-type: none"> <li>Plumbing Repairs: \$10,000</li> <li>Electrical Repairs: \$10,000</li> <li>Roof Repairs: \$2,000</li> <li>Window Repairs: \$10,000</li> <li>Door Repairs/Replacements: \$10,000</li> <li>Safety Related Repairs (fire alarm control panel, other alerting devices): \$13,000</li> <li>HVAC Repairs: \$20,000</li> </ul> <p>An additional item for the Facility Repairs, is the re-surfacing of the parking lot at City Hall. Last year Public Works resurfaced the front two drive isles, but the remaining parking lot is still needed to be completed. The entire project is estimated to cost approximately \$280K, which could be separated into two fiscal years with \$125,000 in FY2024 and the remaining balance in FY2025.</p>	

## Fire Station Repairs and Maintenance

<b>3</b>	<b>Fire Station Repairs and Maintenance</b>	<b>\$150,000</b>
<p>The proposed funding is anticipated to provide for incidental repairs needed throughout the year to include: plumbing, electrical, HVAC, structural, and mechanical (such as overhead door and motor repairs) at all four fire stations. As the fire station are operated 24 hours a day, every day of the year, repairs are needed to maintain the functionality of these buildings. This funding request can be described in two categories: Incidental Repairs totaling \$54,000 and Identified Repairs/Replacements totaling \$96,000. Within the \$96,000 of Identified Repairs/Replacements are the following three projects: HVAC @ Station 61 on Dormitory Side: \$70,000. This side of the station was poorly designed and is no longer meeting the needs of the occupied space. The plan is to have this entire side of the station re-designed by Trane to better control the heating, cooling, and humidity conditions in these areas. Awning Replacement @Station 62: \$15,000. The original awning was removed several years ago due to its condition that posed a risk to our members.</p> <p>Reception Area @ Station 61: \$11,000. The reception at Station 61 has become very outdated in its appearance and functionality. Since this is an area where the community see's when they walk into the station, it needs to be upgraded.</p>		

<b>5</b>	<b>Fire Station Roof Repairs for Station #61</b>	<b>\$200,000</b>
<p>The Capital Reserve Analysis completed in August 2021 noted the roof of Station 61 was in need of significant repairs. Based on several quotes received so far, the roof does not need a full replacement, but does need several areas of rotten wood replaced and a complete re-sealing of the entire roof system.</p>		

## Road and Right-of-Way Projects

<b>6</b>	<b>Resurfacing (Main Roads + Neighborhood Roads)</b>	<b>\$3,000,000</b>
<p>In 2011, the City completed a pavement study to identify and prioritize resurfacing efforts. Ranked on a 100-point scale, the majority of the City's roadways were in poor condition. The Council set a target Pavement Quality Indicator (PQI) score of 70 and committed to a \$4-\$5M investment annually for five years to improve the quality of the roadways. In 2016, the City accelerated the plan by increasing the annual investment through the use of reserves. In 2018, the City completed what was originally planned as a five year initial push in four years and had resurfaced every roadway originally scored below a PQI of 70. In January 2018, the City completed a new pavement study and re-ranked all the roadways. The updated assessment showed the overall conditions of the roadways had improved. Instead of \$4-\$5M annually, a step-down level of annual investment of \$3M (\$1M on main roadways and \$2M on neighborhood roadways) was needed to maintain a PQI score of 70 for the next five years. In FY 2023 council approved another pavement assessment to determine the state of the pavement in the City. Preliminary results suggest that roads are in reasonably good condition. In order to maintain the level 70 PQI of all roads within the next 5 year cycle, the funding level should remain at \$3M (\$1.5M for main roads, and \$1.5M for neighborhood roads). Construction, engineering, and daily inspection (CEI) costs are included in the requested amount.</p>		

<b>7</b>	<b>Roadway Patching</b>	<b>\$600,000</b>
<p>Vehicle usage and weather cause roadways to deteriorate over time. The distresses / deterioration in the asphalt is evidenced in cracks and potholes. Asphalt patching is one of the most effective ways to address significant potholes. Additionally, annual roadway patching efforts are vital to stop the deterioration of roads to the point that they must be fully reconstructed when resurfaced. As such, asphalt patching and pothole repair are a part of the City's long-term strategy to gradually improve the condition of the roads. Historically the City has set aside \$600K for roadway patching. The segments for patching would be identified based on Pavement Quality Index scores, potholes, and other identified roadway failures (cracks, gaps, roughness). The segments will be determined after the funding amount has been settled. If additional funds were available, additional roadways could be patched.</p>		

<b>9</b>	<b>Road and Right-of-Way Maintenance Materials</b>	<b>\$400,000</b>
<p>Maintaining the City's roads and right-of-way areas requires a significant amount of materials (from pothole repair supplies to landscaping materials). The City has found by separating the labor costs from the costs for materials provides better transparency as to the true cost of providing service and understanding the needs for labor versus materials. Additionally, in some instances it is more cost-effective to purchase materials directly for use by the contracted maintenance provider. The labor costs associated with right-of-way maintenance remain in the operating budget. Historically, the City has set aside \$400K annually for the road and right-of-way materials. For FY2024, the funding request continues the \$400K level of funding for materials and is anticipated to address the needs.</p>		

<b>10</b>	<b>Pavement Marking Refreshes and Restriping</b>	<b>\$200,000</b>
<p>Pavement markings, including striping and reflective pavement markers (RPMs) provide guidance to drivers by delineating travel lanes and reminding drivers where they should be on the roadway. Appropriately retroreflective pavement markings have been shown to have a positive correlation to improve safety of travel, particularly nighttime travel. Pavement markings wear and deteriorate over time from both vehicle travel and weather. To maintain the overall roadway condition, the City restripes and replaces pavement markers as part of the maintenance of our roadways. Historically the City has set aside \$200K annually for restriping and replacing pavement markings to repaint worn striping and add new reflectors throughout the City. For FY2024, the funding request continues the \$200K level of funding for materials and is anticipated to address the needs.</p>		

<b>11</b>	<b>Sign Maintenance Materials</b>	<b>\$150,000</b>
<p>The City maintains street signs, vehicular directional signage, and a limited number of wayfinding signs (such as those noting the park entrances). The majority of the City's signs are constructed of aluminum or high density urethane in an effort to improve durability and limit maintenance. However, all outdoor signs exposed to the elements deteriorate over time (evidenced in fading and reduced retroreflectivity). Additionally, signs within the right-of-way are occasionally damaged by motor vehicle accidents.</p> <p>Historically the City has set aside \$100K annually for materials to replace damaged or faded signage / sign posts throughout the City. As part of the FY 2023 pavement assessment, staff was able to get a sign inventory completed as well. With the results pending, staff is anticipating an increased expense to upgrade signs to the standard reflectivity upon receipt of the report. An increase to \$150,000 is requested for this reason.</p>		

## Sidewalk Projects

<b>12 Concrete Repairs and Maintenance</b>	<b>\$400,000</b>
<p>If properly installed, concrete sidewalks, curbs, and gutters can last for decades. However, concrete requires maintenance for lasting durability. Weather (freeze-thaw disintegration), nature (tree roots creating horizontal displacement), and vehicle accidents are leading causes of concrete distress and deterioration (cracks and other more visible failures). Historically the City has set aside \$400K annually for concrete repairs and maintenance to repair or replace broken sidewalk and concrete curbs and gutters throughout the City. For FY2024, the requested funding is anticipated to remain at \$400K.</p>	

## Traffic Signal Projects

<b>13 Traffic Signal Maintenance Materials and Detection Replacements</b>	<b>\$200,000</b>
<p>Maintaining the City's traffic signal system requires materials (from traffic signal heads to traffic signal controllers). The City has found by separating the labor costs from the costs for materials provides better transparency as to true cost of providing service and understanding the needs for labor versus materials. The labor costs associated with traffic signal maintenance contract remain in the operating budget. Historically the City has set aside \$150K annually for the traffic signal maintenance materials. For FY2024, staff anticipates increased costs due to inflation and increased capital project completion. The requested funding is \$200K for materials and is anticipated to address the needs.</p>	

## Park Projects

<b>14 Park Maintenance Materials</b>	<b>\$1,400,000</b>
<p>Maintaining the City's parks system requires materials (from pine straw and gravel to toilet paper and fill dirt for infield leveling). The City has found by separating the labor costs from the costs for materials provides better transparency as to true cost of providing service and understanding the needs for labor versus materials. The labor costs associated with parks system maintenance contract remain in the operating budget. For FY2024, the requested funding has been increased to account for a full year of maintenance for the new Cauley Creek Park.</p>	
<b>15 Park Refreshes (Existing Parks)</b>	<b>\$450,000</b>
<p>An increase in funding utilized to renovate existing elements, improve the landscaping (re-grass or landscape bare spots), maintenance/repairs at park facilities (fix broken doorknobs, freshen paint), and replace worn park equipment (benches, trash cans, etc.). The high level of usage at the City's parks necessitates an investment to keep the parks looking as inviting and "new" as possible. Some areas targeted this year would be trail renovations, and window refurbishment at Autrey Mill Nature Preserve, installing new wayfinding signage at various parks (per the adopted Parks Master Plan), resurfacing tennis courts at Newtown Park and improvement to common areas at Ocee Park.</p>	

## Equipment Accrual (Fund 303)

The Equipment Accrual was established in FY2019 in recognition that from our public safety departments to the information technology that serves as the backbone of all departments, the City has recurring equipment costs that can be best accounted for and addressed through an accrual. Similar to the Infrastructure Maintenance Accrual and Vehicle Replacement Accrual, the Equipment Accrual is designed to build-up for larger expenditures by spreading the cost out over the years leading up to a major replacement project. Additionally, the Equipment Accrual is designed to ensure funding for basic equipment needs are provided for before capital projects and enhancements.

Equipment Accruals	Beginning Balance	FY2024		Ending Balance	Cumulative Balance
		Contributions	Projects		
Police	\$644,839	\$886,709	\$756,270	\$130,439	\$775,278
Fire	\$255,453	\$265,153	\$387,500	(\$122,347)	\$133,106
Information Technology	\$368,100	\$273,019	\$309,000	(\$35,981)	\$332,119
<b>Total</b>	<b>\$1,268,392</b>	<b>\$1,424,881</b>	<b>\$1,452,770</b>	<b>(\$27,889)</b>	<b>\$1,240,503</b>

Police Accrual Components			Replacement Cost	Lifespan (years)	FY2024 Contribution	FY2024 Projects

## Vehicle Replacement Accrual (Fund 350)

The Vehicle Replacement Accrual sets aside funds for the replacement of existing vehicles. From fire trucks to police patrol vehicles to trucks driven by inspectors, the City provides the resources necessary for the staff to provide services. The 2024 Budget sets aside almost \$1.3M for vehicle replacements. By design, the expenditures in the Vehicle Replacement Accrual do not equal the total or replacements each year as the fund is designed to build up for the larger expenditures by spreading the cost out over the years leading up to the expenditure for a major replacement such as a fire engine.

Vehicle Replacements	Beginning Balance	FY2024		Ending Balance	Cumulative Balance
		Contributions	Projects		
Police Vehicles	(\$94,161)	\$579,393	\$922,000	(\$342,607)	(\$436,768)
Fire Apparatus / Vehicles	\$592,801	\$591,053	\$444,500	\$146,553	\$739,354
Other City Vehicles	\$51,968	\$100,162	\$80,000	\$20,162	\$72,130
<b>Total</b>	<b>\$550,608</b>	<b>\$1,270,608</b>	<b>\$1,446,500</b>	<b>(\$175,892)</b>	<b>\$374,716</b>

### Summary of Vehicle Replacement Requests

	Requested	Funded	Scheduled	Replacements
1 Police: 14 Vehicles → 14 Vehicles	\$922,000	<b>\$922,000</b>	14 vehicles	14 vehicles
2 Fire: 2009 Polaris Ranger 6x6 → 2024 Polaris XP 1000 4x4	\$37,000	<b>\$37,000</b>	1 vehicle	1 vehicle
3 Fire: 3 Vehicles → (3) 2024 Ford F150's	\$201,000	<b>\$201,000</b>	3 vehicles	3 vehicles
4 Fire: 2 Vehicles → (2) 2024 Ford Expedition 4x4	\$152,000	<b>\$152,000</b>	2 vehicles	2 vehicles
5 Fire: 2008 Chevy 2500 4x4 → 2024 Ford F150	\$54,500	<b>\$54,500</b>	1 vehicle	1 vehicle
6 Community Development: 2007 Ford Ranger → 2024 Ford Explorer	\$40,000	<b>\$40,000</b>	1 vehicle	1 vehicle
7 Public Works: 2008 Chevy Tahoe → 2023 Ford Explorer	\$40,000	<b>\$40,000</b>	1 vehicle	1 vehicle
	\$1,446,500	<b>\$1,446,500</b>		

### Vehicle Replacement Projects Described

1	<b>Police: 14 Vehicles → 14 Vehicles</b>	<b>Funded: \$922,000</b>
<p>The City vehicle replacement schedule anticipates replacing fourteen police vehicles each year to gradually refresh the fleet. For FY2024, the Police Department is requesting to replace fourteen vehicles. The requested replacements are based on elevated maintenance costs, high mileage, and intense use requirements. The replacements will likely be the fourteen vehicles that are between seven and eleven years old, but the final vehicle replacement assessment will be made in the fall based on funding awarded and double-checking the mileage, maintenance, and any issues that arise between Budget adoption and the receipt of the vehicles. The \$922,000 of funding would provide for the replacement of fourteen vehicles.</p>		
2	<b>Fire: 2009 Polaris Ranger 6x6 → 2024 Polaris XP 1000 4x4</b>	<b>Funded: \$37,000</b>
<p>The vehicle replacement schedule anticipates replacing this vehicle in FY2024. The vehicle scheduled for replacement is a 2009 Polaris Ranger 6x6 (Unit # 107). The mileage is just over 2,113 with 361 engine hours. Maintenance on this vehicle is getting more and more expensive and difficult to locate parts that will work on the vehicle due to its age. The \$37,000 of funding is anticipated to provide for the replacement of the 2009 Polaris Ranger 6x6 with a 2024 Polaris XP 1000 4x4.</p>		
3	<b>Fire: 3 Vehicles → (3) 2024 Ford F150's</b>	<b>Funded: \$201,000</b>
<p>The vehicle replacement schedule anticipates replacing three vehicles in FY2024. The vehicles scheduled for replacement include a 2015- F250 (Unit #237), a 2016-F250 (Unit #240), and a 2009 Chevy Impala (Unit #228). The age and mileage on these vehicles is well outside of the replacement cycle. Vehicle #237 has 116,602 miles and is 8 years old. Vehicle #240 has 107,190 miles and is 7 years old. Finally, vehicle #228 only has 45,916 miles, however, it is over 14 years old. The \$201,000 of funding is anticipated to provide for the replacement of the three vehicles with three Ford F150's.</p>		

4	<b>Fire: 2 Vehicles → (2) 2024 Ford Expedition 4x4</b>	<b>Funded: \$152,000</b>
<p>The vehicle replacement schedule anticipates replacing two vehicles in FY2024. The vehicles scheduled for replacement include a 2016 Ford F250 4X4 (Unit #242) and a 2014 Chevy Tahoe 4X4 (Unit #234). The current mileage on Unit #242 is 68,552 with 4,770 engine hours. Unit #234 has 147,347 miles. The \$152,000 of funding is anticipated to provide for the replacement of the two vehicles with two Ford Expedition 4x4.</p>		
5	<b>Fire: 2008 Chevy 2500 4x4 → 2024 Ford F150</b>	<b>Funded: \$54,500</b>
<p>The vehicle replacement schedule anticipates replacing one vehicle in FY2024. The vehicle scheduled for replacement is a 2008 Chevy 2500 4X4 (Unit #214). The current mileage is 205,537. Maintenance has been a big issue with this vehicle. It has been in the shop for multiple repairs and has a variety of items that need to be done. The \$54,500 of funding is anticipated to provide for the replacement of the Chevy 2500 with a Ford F150.</p>		
6	<b>Community Development: 2007 Ford Ranger → 2024 Ford Explorer</b>	<b>Funded: \$40,000</b>
<p>The vehicle replacement schedule anticipates replacing one of the Community Development vehicles in FY2024. The vehicle scheduled for replacement is a 2007 Ford Ranger (Unit # C5832). The mileage is just over 105,000. Of note, the vehicle required major maintenance in 2021. In considering the replacement, the City anticipates replacing the vehicle with a 4-door Ford Explorer or similar SUV. The \$40,000 of funding is anticipated to provide for the replacement of the Ford Ranger with a Ford Explorer.</p>		
7	<b>Public Works: 2008 Chevy Tahoe → 2023 Ford Explorer</b>	<b>Funded: \$40,000</b>
<p>replacement is a 2008 Chevy Tahoe (Unit # C5846). The mileage is just over 137,000. Of note, the vehicle required major maintenance in 2022 and already in 2023. In considering the replacement, the City anticipates replacing the vehicle with a 4-door Ford Explorer or similar SUV. The \$40,000 of funding is anticipated to provide for the replacement of the Chevy Tahoe with a Ford Explorer.</p>		

## Parks Bond (Fund 310)

In November 2016, voters in Johns Creek approved the issuance of a \$40M bond for recreation and park improvements. The bonds were issued in the spring of 2017.

Annually the Council has received a Parks Bond implementation presentation at a Work Session in late January with a review of projects by park as well as the accounting for expenditures on each project. As the revenues have all been received and all revenues have been spent or encumbered, no Council action for additional appropriation is requested as part of the FY2024 Budget and this fund will not be reflected in future Budgets.

Parks Bond-funded projects are listed below. On a going-forward basis, the few remaining active projects with some funding through the Parks Bond will be continued in the Capital Projects Fund.

Existing Park	Improvement Projects	Completed
Autrey Mill	Farm Museum Renovation	September 2018
Autrey Mill	Forest Management Study	October 2018
Autrey Mill	Bus Turnaround and Pervious Parking Lot	January 2019
Autrey Mill	Relocation of Smokehouse	January 2019
Autrey Mill	Program Barn Bathroom Addition	April 2021
Autrey Mill	Restroom and Pavilion Addition	May 2022
Newtown	Soccer and Lacrosse Synthetic Turf	October 2017
Newtown	Playground Sidewalk Connection	July 2019
Newtown	Bocce Court Expansion	August 2019
Newtown	Perimeter Trail Loop Connection	September 2021
Ocee	Pavilion Near the Tennis Courts	May 2021
Ocee	Soft Surface Trail	October 2021
Shakerag	Track Field Synthetic Turf	December 2017
Shakerag	Tot Lot Playground	September 2019
Shakerag	Fishing Pier	March 2020
Shakerag	Wildlife Observation Deck	February 2020
Shakerag	Cricket Pitch and Batting Cages	November 2020
Shakerag	Pavilion at Field #3	December 2021

New Parks and Park Connections	Completed
Morton Road Park	November 2020
State Bridge Park	May 2021
Bell-Boles Park	October 2021
Land Acquisition for Cauley Creek Park	May 2021
Cauley Creek Park	June 2023
Rogers Bridge Pedestrian Bridge (Cauley Creek Park to Rogers Park)	July 2023

On-Going Projects	Current Stage
Creekside Park - in Town Center (behind City Hall)	Right of Way
Chattahoochee River Greenway (Abbotts Bridge Road to Cauley Creek Park)	Engineering

## TSPLOST (Fund 335)

The TSPLOST (Transportation Special Purpose Local Option Sales Tax) was approved by Johns Creek voters in November 2016. The three-quarters of a penny sales tax was implemented across Fulton County outside the City of Atlanta from April 1, 2017 - March 31, 2022. As voters subsequently approved a TSPLOST in November 2021 (or TSPLOST II), the TSPLOST approved in 2016 is also referred to as TSPLOST I.

Annually Council receives a 'State of the Program' overall implementation presentation at a Work Session in late January with both programmatic updates (as to which projects are in which stages) as well as accounting for expenditures on each project. As the revenue collection period is over and the revenues have all been spent or encumbered, no Council action for additional appropriation is requested as part of the FY2024 Budget and this fund will not be reflected in future Budgets.

For transparency, TSPLOST I funded projects are listed below by current stage.

Projects Completed	Ribbon Cutting
Bell Road at Cauley Creek Park Roundabout	March 2022
Bell Road at McGinnis Ferry Road	July 2020
Bell Road at Medlock Bridge Road	March 2021
Bell Road at Rogers Circle South Roundabout	September 2021
Bell Road Bridge over Cauley Creek Tributary	January 2023
Jones Bridge Road at Waters Road	May 2020
Medlock Bridge Road at State Bridge Road (Interim)	July 2021
State Bridge Road Widening (Camden Way to the River)	November 2020

Projects in Construction	Groundbreaking
Barnwell Road at Holcomb Bridge Road	February 2022
Haynes Bridge Road at Old Alabama Road	June 2022
Jones Bridge Road Multi-Modal	March 2023
Jones Bridge (Waters Road to State Bridge Road)	May 2023
McGinnis Ferry Road (Sargent Road to Douglas Road)	Bids Received June 2023
Medlock Bridge Road at Johns Creek Parkway	March 2023

Projects in Right-of-Way Acquisition	ROW Authorized
Jones Bridge Road at Douglas Road	December 2022
Medlock Bridge Road at Skyway, Abbots, and Bell	May 2022
Medlock Bridge Trail (Creekside Park Trail)	March 2023

Projects in Engineering Stage	Last Council Action
Medlock Bridge Road at McGinnis Ferry Road	July 2022
Medlock Bridge Road at State Bridge Road	November 2020

Project on Hold
New Location Road (Bell Road to Johns Creek Parkway)

## TSPLOST II (Fund 336)

Voters approved a continuation of TSPLOST or TSPLOST II as part of the November 2021 election. The adopted budget list for Johns Creek includes \$6.5M for bridges, \$14.2M for traffic congestion relief, \$3.5M for landscape / streetscape improvements, \$16.2M for operations and safety projects and \$16.5M for pedestrian / bike improvements. A separate fund has been established for TSPLOST II (Fund 336) to budget the projects in the categories approved by Council.

### Details of Funded Requests

<b>Stormwater Quality Improvement Project</b>		<b>Funded:</b>	<b>\$900,000</b>
Requested by: Public Works		Requested:	\$900,000
This project will improve stream bank stabilization and stormwater quality with projects as per the City's Stormwater Master Plan.			

## Debt Funds

The City has three debts: (1) City Hall Certificate of Participation issuance, (2) Resurfacing Loan from Georgia Tollway Infrastructure Bank, and (3) Parks General Obligation Bond issuance. The first two are managed out of Fund 400 (Debt Service Fund) and the Parks Bond Debt is distinctly managed out of Fund 410 (Parks Bond Debt Service).

In accordance with the City's Debt Management Policy, as part of the budget preparation, each debt is reviewed and considered for potential early repayment. Of the three debts, two have not yet reached the point when they can be considered to be retired early. The City Hall COPS issuance is callable at par on September 1, 2027. The Parks Bond (for bonds maturing on April 1, 2028 or later) is callable on or after April 1, 2027. The GTIB loan for resurfacing can be prepaid in whole or in part at any time without premium or penalty according to the terms of the Promissory Note. The Adopted FY2024 Budget anticipates paying the \$273,717 of principal and interest that are due in FY2024.

### Debt Service (Fund 400)

Revenues		FY 2021	FY 2022	FY2023			FY2024
Object	Account	Actuals	Actuals	Revised	YTD 03/31	Annualized	Proposed
391000	Operating Transfers In	\$3,319,269	\$2,320,613	\$3,320,933	\$1,411,086		
	...from Public Works for GTIB Resurfacing Loan					\$1,273,717	\$273,717
	...from Facilities for City Hall COPS issuance					\$2,047,216	\$2,046,512
<b>Total</b>		<b>\$3,319,269</b>	<b>\$2,320,613</b>	<b>\$3,320,933</b>	<b>\$1,411,086</b>	<b>\$3,320,933</b>	<b>\$2,320,229</b>

## FY2024 Debt Service Payment Schedule

### Parks GO Bonds, Series 2017

Date	Principal	Interest	Total (P+I)
10/1/2023	\$0	\$644,319	\$644,319
4/1/2024	\$800,000	\$644,319	\$1,444,319
<b>Total</b>	<b>\$800,000</b>	<b>\$1,288,638</b>	<b>\$2,088,638</b>

## Five-Year Capital Needs

Although the FY2024 Budget only authorizes those capital projects shown as funded in the Capital Projects Fund, those projects represent only part of the known capital investments for the City over the five-year horizon. Several planning documents adopted by the City Council (such as the Transportation Master Plan adopted by Council in 2008, the Recreation and Parks Strategic Plan adopted by Council in March 2016, the Comprehensive Plan adopted by Council in October 2018, and the Town Center Vision and Plan adopted by Council in October 2021) identify the City's capital investments over a longer period. Additionally, adopted policies (such as the Sidewalk Prioritization Policy and the Intersection Improvement Policy) identify areas for significant capital investment over the next several decades.

In November 2021, the voters approved an extension to the Transportation Special Purpose Local Option Sales Tax (or TSPLOST II). At the April 11, 2022 Work Session, Council reviewed initial projects to utilize an estimated \$46.9 million of the total anticipated \$65.5 million of revenues and authorized staff to begin engineering. Although the revenue stream is significant, it does not fully address identified capital needs. For example, Council set aside \$16.5M for pedestrian and bike improvements to add sidewalk and trails. However, the Sidewalk Prioritization Policy has identified over \$100M of needed sidewalks and trails to fully build out the City's network. Additionally, the 5-Year capital list as included in the FY2022 Budget identified over \$92M of unfunded capital projects over the next five years.

In FY2024 staff will launch a new and improved Capital Planning Process. In order to provide a more focused discussion, staff will develop a comprehensive list of projects forecast for FY2025-FY2029 likely to be captured in the following areas for significant capital investment listed below based on adopted plans and policies. Those inputs will be vetted by senior management and capital project narrative developed detailing

- Project Description
- Requested Funds
- Requested Year of Funding
- Identified Funding Source(s)
- Department Priority
- Perceived Need
- Council Support
- Service Impact
- Useful Life
- On-Going Costs...Impact to Operating Budget
- Legal Mandate

All of this information will be assembled in a Working Binder for review and Discussion with Council during the January/February 2024 timeframe in a Council Work Session(s). Output from that focused discussion will then be incorporated in the FY2025 Budget Development Process and each successive year.

### Town Center Vision and Plan

- Creekside Park
- Trail Network
- Johns Creek Parkway at Lakefield Drive Intersection
- Lakefield Drive ("Main Street") Streetscape
- Pedestrian Crossing at Medlock Bridge Road
- Johns Creek Parkway Road Modification (Between Lakefield Drive and McGinnis Ferry Road)
- Stormwater Management Plan
- Civic / Cultural / Performing Arts Center

Land Acquisition

Recreation and Parks Strategic Plan

- Cauley Creek Park - Phase II - Construction
- Autrey Mill Park and Nature Preserve Improvements
- Newtown Park Improvements
- Ocee Park Improvements
- Shakerag Park Improvements
- Creekside Park Construction
- Indoor Recreation Center - Location and features TBD
- Chattahoochee River Greenway

Sidewalk Policy and Prioritization

- Sidewalks
- Trails
- Multi-Modal Corridors (under development)

Intersection Improvements

- Safety Improvements
- Operational Improvements

Transportation Master Plan

- Safety and Operational Improvements
- Congestion Relief
- Improved Street Network

Intelligent Traffic Signal System

- Fiber System Redundancy
- Connected Vehicle Enhancements
- Communication System Improved Stability
